

2021 UK Campus Polar Plunge for Special Olympics Kentucky

September 24, 2021

Woodland and Hilltop Lawn

COVID-19 CONSIDERATIONS

It is our every intention to hold the annual Campus Plunge in order to support Special Olympics athletes across the state. Please keep the following in mind as we move closer to the event:

- Adherence to state and local restrictions and social distancing guidelines is required.
- The health, safety and security of participants, athletes, staff and volunteers must always be the most important factor.

Please be patient and understanding as we work through these challenging times to create a fun, exciting, successful event supporting Special Olympics Kentucky.

ADJUSTMENTS MADE TO EVENT OPERATIONS

- Per campus guidelines, Plunge participants who are unvaccinated are required to wear a mask while on-site at the event. Masks may be removed only when actively Plunging.
- We also ask participants and spectators to maintain proper social distancing while on site and in line for check-in.
- Hand sanitizer stations will be set-up in multiple places around the event.
- Changing tents will be limited to one person per tent.
- Teams will have staggered Plunge times, and we ask teams to depart the Plunge area as soon as they have Plunged and changed clothes.
- Phi Sigma Kappa and Alpha Phi will work with SOKY to utilize BBNvolved to track attendance for contact tracing purposes
- Remember: **if you feel sick and/or have been exposed to someone who has tested positive for Covid-19, stay home!**

Should we have any changes or additional safety measures to put in place, we will update this document accordingly. Thank you for working with us to ensure a fun, safe event for participants, spectators, and volunteers.
