Team Recruitment

Who can be on your team?

ANYONE! Coworkers, friends, family, clients, your CEO, customers, and vendors, anyone above the age 8. You do not have to work at the same company to be on a team, although co-workers will make great teammates. Does your company or organization have a mascot? If so, invite them to join your team too!

—All team members should register online to avoid tracking down completed waivers.—

Use your Participant Center to recruit members to your team, solicit donations and thank your supporters

The screenshot shows the 'Compose Message' interface in a Participant Center. On the left is a navigation sidebar with 'Email' highlighted in a blue circle. The main area contains a 'Compose Message' form with fields for 'Recipients', 'Subject', and a rich text editor. A 'Use a template' button is circled in red. A red arrow points from the 'Email' button to the 'Use a template' button. Another red arrow points from the 'Use a template' button to a text box that says 'There's a template just for "recruit team members!"'. A third red arrow points from the 'Use a template' button to a text box that says 'Just Copy and Paste your addresses!'. A large red-bordered text box at the bottom contains instructions: 'In the participant center, select "Email" in the secondary header to send emails to potential team members and donors. It's simple to insert addresses—just copy and paste or download an excel document to insert as contacts. Templates are available to help with content but always editable!'. At the bottom of the form are 'Preview & Send' and 'Save as template' buttons.

Fundraising Tips

Share these tips and tricks with your team to help reach your fundraising goal!

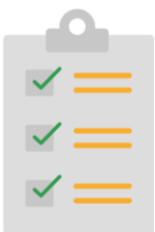

Take to social media and reach your Teams fundraising goal faster! Ask for \$5 donations or connect your fundraiser to Facebook through your Participant Center.

Make it personal & share your story! When you create your personal fundraising page, you are able to share how long you have been a part of the Truck Pull, if you have a family member or know someone with an intellectual disability, or you just love the challenge.

Encourage your team members and remind them it is a team effort! Your team can easily meet the \$750 minimum if all 15 members each raise \$50.

Ask for \$5-\$10 donations from your friends, family, colleagues, and neighbors! Ask them to support you and your team as you #PullForAPurpose to support Special Olympics Kentucky!

Make a plan to help you stay on track! Life can get busy, and things can be forgotten. Take a few minutes to write down a timeline of when and how you want to reach out to people.

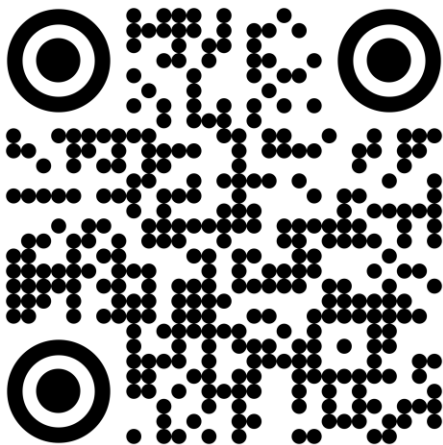

Say thank you! It is very important to thank your donors and everyone who was a part of your success in supporting Special Olympics Kentucky!
