Welcome to your Participant Center. This page is where you will find the tools to set you on your way to Polar Plunge success and the Chill of a Lifetime at the Lake Cumberland Polar Plunge.

What's should you do next?

1. Post to social media to let your followers know that you have accepted the challenge to take the Plunge for Special Olympics Kentucky. Make sure you include the link to your personal page, so they are sure to donate to your fundraiser. You can also use the button on the right to create a Facebook fundraiser that is connected to your Plunge page.
2. Send an e-mail to friends and family asking for their support. Use one we have provided or write your own. If you send them through the Participant Center, your Personal Page link will automatically be included.
3. If you are a captain or member of a team, invite your friends to join. There are no team size limits at the Plunge, so the more the merrier! The teams that raise the most money will be recognized with awards!
4. Check back often to monitor your progress and see who you may need to reach out to again to help you meet your Polar Plunge goal!
