

Fundraising through Social Media

Now that you have your team and website set up, it's time to start fundraising! Social media is an incredibly successful way to reach family and friends to support you in the Polar Plunge. Below is social media content to help you begin your outreach. Simply copy and paste into your social media outlets. Don't forget to include your website link!

*Please note, when fundraising on Facebook you must set up your Facebook fundraiser through your Participant Center in TeamRaiser for donations to be reflected on your page. If you have any questions, please contact SOKY.

It's not every day you get to jump into an icy cold pool, but this year I have the opportunity to be a part of the Greater Cincinnati Polar Plunge benefitting Special Olympics Kentucky and Ohio! Join me in supporting the 30,000 athletes they serve each year by donating to my page. Thank you in advance for your support! Check it out: www.greatercincinnatiplunge.com

I'm Freezin for a Reason this year at the Greater Cincinnati Polar Plunge benefitting Special Olympics! Our team will have the opportunity to plunge into the icy cold waters to show our support for the brave athletes of Special Olympics Kentucky and Ohio, but I need your help! Donate to my page and come out and cheer me on, Saturday February 2nd at Joe's Crab Shack in Bellevue, KY! Check it out at: www.greatercincinnatiplunge.com
